Good Advice.
The world is full of "has-beens,"
On which the people light you were.
None care how much you were.
So get out and bustle for yourself,
For on the day you'll be missed.
The mill will only grind for you
While you supply the grist.

THE JOLLY ELKS.

The First Social Session, Held Last Night, a Pleasant Affair.

Maysville Lodge No. 704, B. P. O. E., held its first "Social Session" last night, and the occasion was a delightful one.
There was a good deal to "fill the inner man," and the speeches and anecdotes kept pace with the general enjoyment.

Among the distinguished guests and speakers was Colonel J. G. Craddock of Paris, who was never known to slide-track a good thing, and it's safe to say that for once he didn't go to bed hungry.
Other speakers were Judge Charles D. Newell, W. Henry Wadsworth, Colonel George Griffin, Captain H. J. Cochran and Ralph Dimmitt, all of the local lodge.
These pleasant features of Elksdom are billed to occur each month hereafter.
Now is the time to join.

MRS. AMELIA STEVENSON.

She was in the 70th year of her age, and had been an invalid for over two years, suffering from paralysis.

Mrs. Stevenson was one of Mason county's good women, beloved by all who knew her.

Five children survive—one daughter, Mrs. Margaret Wood of Nicholasville, and four sons, J. R. of Ponca City, Oklahoma, N. S. J. C. and J. W. of Maysville.

The funeral will take place tomorrow morning at 10:30 from her home, with services by the Rev. W. T. Spears and Rev. Maurice Walker. Burial at Shannon.

TROUTS—GABBY.

Quiet Wedding Yesterday Afternoon at the Bride's Home.

The wedding of Miss Lizzie Trout and Rev. Henry E. Gabby occurred yesterday afternoon at 2 o'clock at the home of the bride on Market street, in the presence of a small company of relatives and friends of the happy couple.

Dr. John H. Boyet, Pastor of the First Baptist Church, performed the ceremony.

The bride is the daughter of Mr. and Mrs. William Trout and Maysville can claim no more highly respected young lady than she.

The groom is a son of Mr. William Gabby of Forest avenue and is one of the most promising young men who has ever left Mason county for a home amid other surroundings.

He is now Pastor of the Baptist Church at Newport, Ark., and thither he left, with his wife, over the C. and O. yesterday afternoon, followed by the best wishes of scores of friends.

Margaret Emma, youngest child of Mr. and Mrs. C. B. Wedding, died of tonsillitis this morning at 1:30 o'clock, aged 2 years and 11 months. The funeral will be from the residence tomorrow afternoon at 2 o'clock. Rev. H. E. Moss officiating. Burial in Maysville Cemetery.

ENTERTAINMENT REPEATED.

Boys and Girls Rally Day Program at the Christian Church.

The Christian Church Sunday-school decided last evening to repeat tomorrow night the beautiful and interesting religious and patriotic entertainment given last Sunday evening.

On account of the stormy weather last Sunday many were prevented from attending and the wish has been expressed that it be repeated.

While the entertainment tomorrow night will be a repetition in many respects, yet some features of last Sunday's program will be cut out and other selections substituted.

It will be a musical entertainment with a few short recitations and a Bible study interspersed. Among the musical selections will be some solos by Dr. Smoot and duets by the Misses Tollet and the Misses Stiller.

The Church will be even more handsomely decorated than it was last Sunday.

Everybody is most cordially invited. A collection will be taken for Home and State Missions.

All members of the school are requested to meet at the Church at 7 o'clock tonight to rehearse the songs and recitations.

For Fur Scarfs and Boas, go to Mrs. L. V. Davis.

THE MISSIONARY SOCIETY.

Very Pleasant Meeting Yesterday at Mr. J. C. Pecor's Home.

The hospitable home of Mr. and Mrs. J. C. Pecor was thrown open to the Missionary Society of the First Presbyterian Church and a praise service was held yesterday afternoon, which was more gratifying in its results than the praise service of its promoters could possibly have anticipated.

Invitations very general had been issued to members of the Church, and envelopes for thank-offerings were distributed, and in some cases friends who could not find it convenient to attend kindly sent their contributions, and a neat sum was collected for missions.

A number of dainty articles were exhibited and on sale, which were originally from far away Japan and Korea. They were sent by Mrs. Pecor by a "shut in," who raises money in this way to assist feeble churches. After the program refreshments were served, and this social feature defrayed in no slight degree the profligacy of the occasion.

HORRIBLE ACCIDENT.

William B. Barkley of Lewis County Killed Here This Morning.

William B. Barkley, aged about 60 years, a well-to-do stock trader residing near Fears, Lewis county, met with a horrible death in this city about 12:30 o'clock this morning.

He had loaded a car of cattle at Springdale in the afternoon, which was brought to this city by the local freight and switched just below town.

Freight No. 35, due here at 12:05 a. m., was to pick up this car and take it to Cincinnati.

Mr. Barkley was at the Station awaiting the arrival of this train and when it did arrive it was a double header.

Mr. Barkley left the Station, it is supposed, for the purpose of getting on the train to go down to the switch; both engines were disconnected before starting for the switch and in crossing the track Mr. Barkley stepped directly in front of them, both engines passing over him and mangle the body in a horrible manner.

Death was instantaneous.

The remains were conveyed to the undertaking establishment of McElvain & Humphreys and after being prepared for burial will today be taken to his late home.

Deceased was a nephew of the late Henry C. Barkley of this city and had been engaged nearly all his life in stock-trading, a part of the time in the West.

He lived with his brother, Mr. Asa Barkley, and a sister, and leaves no other immediate relatives.

During the first week of navigation, 1,000 the amount of coal passing the Davis Island Dam according to the records kept there, was 518,000 tons or about 12,000,000 bushels. WOMEN AND JEWELS. Jewels, cut glass, flowers, man—that is the order of a woman's preferences. Jewels form a magnet of mighty power to the average woman. Even that greatest of all jewels, health, is often missed in the strenuous efforts to make or save money to purchase them. If a woman will risk her health to get a coveted gown, then, let her fortify herself against the insidious consequences of cough, cold and bronchial affections by the regular use of Dr. Brown's German Syrup. It will promptly arrest consumption in its early stages and heal the affected lungs and bronchial tubes and drive the dread disease from the system. It is not a cure, all, but it is a certain cure for cough, cold and all bronchial troubles. You can get Dr. C. G. Green's reliable remedies at J. Jas. Wood & Son's. Get Green's Special Almanac.

"I learned of the great merit of Doan's Kidney Pills over a year ago while in Pittsburgh, Pa. The use of two boxes ended all symptoms of kidney trouble. I have told my friends of the remarkable value of this preparation and advised them to get it at J. J. Wood & Son's drugstore corner of West Second and Market streets and give it a trial."

A Name Twice Made Famous, Now a Shining Mark for Imitators.

The name "Chase" twice made famous, is a shining mark for the unscrupulous to pounce upon and appropriate in order to perpetrate upon the public their worthless preparations. These kinds of prey by using the name Chase, expect the public to be misled into believing they are the merited of Dr. A. W. Chase, who first became known as the author of the world famous Dr. Chase's Kidney Pills, who is a family physician, and whose fame is now doubly increased by the wonderful success of his Nerve Pills, which cure Nerve and Blood troubles. They play upon the name Chase, but dare not use the initials "A. W."

They imitate, but dare not counterfeit the portrait and signature of Dr. A. W. Chase, which identifies the Nerve Pills now recognized as infallible for building up pale, weak, thin-blooded, nerve exhausted sufferers. Who are nervous and brain-weary. Who are easily exhausted. Who are weak—cannot sleep. Who have nervous headache. They remove the cause of blood impurities, securing refreshing sleep and impart strength.

They build up people who find their strength and vigor in the bearing of their daily duties. They soothe irritated nerves, replace languor and lassitude with energy and animation. Cure Nervous Depression.

CAUTION.—The protection to the public in securing the genuine and original Dr. A. W. Chase preparation is in seeing the portrait and signature of A. W. Chase, M. D., on each box. These and these only are the genuine. Do not be satisfied with anything bearing the name "Chase" without the initials A. W. Chase, or suggested by Dr. A. W. Chase Medicine Co., Buffalo, N. Y.

GOLD ORE FOUND. Four Kentucky Prospectors Are Filled With Enthusiasm Over An Export's Glowing Report.

Williamstown, Ky., Dec. 12.—Parties who have been prospecting on Stephens creek, in this county, for gold have received a report from the government expert at Charlotte, S. C., which they deem samples of ore taken from their prospect hole, which fills them with enthusiasm. The expert says the ore will pan out \$21 free gold to the ton and \$35 silver. He further says that should there be a great amount of the ore in that section it will prove to be one of the greatest mines in the United States.

J. N. Renaker, who has backed the movement from the start, declares that he believes enough gold will be found to make a dozen millionaires. Other wealthy citizens have been trying to buy stock, but Mr. Renaker refuses to sell.

LOOKING FOR A SITE.

One of the Proposed New Army Posts Will Be Established at Louisville, Ky.

Louisville, Ky., Dec. 12.—After hearing a report Wednesday from a commission of the War Department returned from Washington, where it urged upon Secretary of War Root that one of the four proposed new army posts be established near Louisville, the board of trade, appointed a bureau to find suitable site. The committee had in mind a site of 500 acres, but were ascertained by Secretary Root, who said the war department would not consider a site of less than 20,000 acres. The bureau appointed Wednesday will endeavor to find an available tract of land fulfilling the requirements of the war department, and if such a tract is found, Secretary Root will send army officers to examine it.

UPHELD THE COURTS.

The Attorney General Can Not Employ Attorneys to File Suits For Taxes.

Frankfort, Ky., Dec. 12.—When W. S. Taylor was attorney general of Kentucky he employed George Denny, of Lexington, to file suit for taxes in Boyle county. After the suit was entered and \$1,500 in taxes were recovered for the state, Denny asked Auditor Coulter to pay him a fee of \$750. Coulter declined to pay because the law did not give the attorney general power to employ attorneys in such suits, so Denny sued Coulter to compel him to pay the fee. The court of appeals Wednesday upheld the decision of the attorney general can not employ attorneys in such tax cases.

FIGHTS TO HANG

ATTACKED HOUSE OF A PRESIDENTE

An Insurgent Leader, After Taking the Oath of Allegiance, Murdered a Native Woman, Received a Death Sentence.

Washington, Dec. 12.—A military commission, headed by Maj. Henry S. Turill, surgeon, sentenced Juan Olivar, a Filipino, to be hanged. Olivar was the leader of a band of Ladrones which made an attack upon the house of Teodoro Labrador, president of Misina, Panay, and captured him, his brother, wife, grandmother, godmother, small daughter and a policeman. The grandmother, godmother and daughter were shot to death in the vicinity of the capture. Labrador, his wife and the policeman were taken to an isolated spot and killed with bolts. The brother made his escape. Incidentally Olivar and his band robbed Labrador of 78 carts, 800 pesos and other articles.

Gen. Chaffee criticized the proceedings in this ground that woman was charged solely with the murder of Labrador, assault upon him with intent to kill, and robbery, while the Spaniards, two members of the band were brought to trial and were sentenced to be hanged. But, in view of the fact that the more responsible participants in this crime already had paid the death penalty, the sentences were commuted by Gen. Chaffee to life imprisonment.

Yanacio Sicozon, an insurgent leader operating against the American government, after having taken the oath of allegiance, was sentenced to hang for murdering a native woman suspected of friendliness to the United States.

Orders for coal, both from New England and from the West Indian islands, are pouring in, but the local merchants find themselves unable to make shipments owing to this scarcity of water.

This condition is in a great measure due to a scarcity of cars to carry the coal from the mines.

HIS PLAN FAILED.

John T. Brush's Scheme for Syndicate Baseball Voted Down at the New York Meeting.

NATIONAL LEAGUE IS PERMANENT

It is Now Back Where It Was Before the Signing of Indianapolis Agreement of 1891.

It is Said That Pittsburg, Boston, Chicago, Brooklyn and Philadelphia Will Veto For Spalding For President.

New York, Dec. 12.—John T. Brush's scheme for a revolution of the national game is dead. At the meeting at the Fifth Avenue hotel Wednesday, the National league managers decided by a majority vote that the league was a permanent body and did not cease with the expiration of the Indianapolis agreement December 18. It was decided also that no club can be expelled from the league except by mutual consent and that no club can be admitted without the consent of the league.

The vote followed a resolution to declare the league out of existence on and after December 15. For several hours the members had been discussed and argued pro and con. The speeches, it is said, were stormy ones. Charges of bad faith were made on both sides. The result, according to excellent authority, showed that Brooklyn, Philadelphia and Chicago were against the plan, St. Louis voted aye, while New York and Cincinnati did not vote. The vote, it is said, means that the National league is back where it was before the signing of the Indianapolis agreement in 1891.

An attempt was made at the Spalding meeting to elect A. G. Spalding president. It was at first reported that he had been beaten, but this turned out to be untrue. Shortly after the managers went into session Drury was made a motion that the election of officers be proceeded with. This was unopposed and A. G. Spalding was unanimously elected president. The hitch was done away with the regular order of business, so as to proceed with the election. In the regular order of the board of directors and those of various committees must be heard before the election can be proceeded with. When the matter was put to a vote Boston, Cincinnati, St. Louis and New York voted for proceeding in the regular order, thereby setting back Mr. Spalding's election.

It is said upon good authority that at least one of the clubs favor the election of Mr. Spalding. That is Pittsburg, Boston, Chicago, Brooklyn and Philadelphia.

One Sight That Was Seen Yesterday In This City.

We noticed yesterday in this city a nicely-dressed, good-looking young man, apparently not more than sixteen years old and evidently of good family, very much under the influence of whisky and so unsteady that a quart bottle filled fell from his pocket while he leaned over to put on his overcoat. It was indeed a sad spectacle, and our heart went out in sympathy towards the parents of the young man on account of the trouble and anguish that is before them.

Deafness Cannot Be Cured By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflammation of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a running sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever. Nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surface. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. Sold by Druggists, etc. F. J.
